## Welcome to 2plus1.com PC Services

Hello, My name is Ashley I have 10 years experience in computing with Business and Home pcs, Networking and Troubleshooting.

2plus1.com PC Services has been established since 2004, focusing on local businesses and home users.

Quite simply '2plus1.com PC Services' is a mobile pc repair company aka 'Rent-a-Nerd' service, although sometimes we repair computers in house this depends on the Type and Severity of the repair.

Please feel free to browse round the site, [create an account](#) and Login to access the Support Sections.

Also, if you have had work done recently please feel free to [leave some feedback](#), just click on the link above.
